First European Bike Yatra

From Hamburg to Copenhagen from May 27, 2024 to June 7, 2024

The European Bike Yatra is a spiritual bike journey that will take place outside Asia and on European soil for the first time. This is a historic event!

Led by the Kung Fu Nuns and Live To Love Germany, this event for climate protection, and gender equality, and to promote an environmentally friendly way of traveling will take place over 10 days from Hamburg to Copenhagen.

The journey includes several stages with daily tours of 30 to 70 km and a total of approx. 460 km from Hamburg through Schleswig-Holstein, Mecklenburg-Vorpommern to Rostock, where we will take the ferry to Denmark.

Along the beautiful Baltic coast of Denmark from Lolland-Falster and Zealand, the destination of the route is the cycling city of Copenhagen.

We spend the night partly in simple but beautiful group accommodation or on campsites. If necessary and possible, we can help with accommodation in hotels or guesthouses. Freshly prepared, highly nutritious vegetarian cuisine is served along the way.

The journey will start in Hamburg on the 27th of May and reaches Copenhagen on the 6th of June at the earliest. From Copenhagen, a bus transfer back to Hamburg, including bike transport, is organized where it ends on the 7th of June 2024.

For clarification, we would like to point out that our joint European Bike Yatra is not a commercially organized trip. We ride together, each one their responsibility and in the spirit of our common mission for climate protection. The tour will take place in all weather conditions as long as safety is guaranteed. Please remember to wear appropriate clothing.

We are already very pleased about the numerous requests for participation we have received. It is important to us that our 1st European Bike Yatra fulfills all positive expectations and that we all reach our destination safely and relaxed. We therefore have to limit the number of participants to 30 up to a maximum of 50.

ORGANIZER

The organizer of the European Bike Yatra is the Live To Love Germany Foundation, Eppendorfer Weg 93a, 20259 Hamburg, Germany.

PARTICIPATION REQUIREMENTS

Anyone at least aged 18 years can take part, provided they have the physical and mental health and fitness to cycle from Hamburg to Copenhagen on 10 consecutive days (preferably without electric drive) and together with 50 people in all weathers. We ride daily stages, slowly increasing up to 70 kilometers. We want to cover the entire distance on conventional bicycles

An additional requirement is that you bring your roadworthy bicycle, suitable clothing, bicycle, and safety equipment (saddlebags for the day's luggage, helmet, etc.) as well as camping equipment if not provided by us (see below - tents, for example, are available in sufficient quantities). If you are unable to obtain the necessary equipment, please contact us. We will support you if possible.

Participation in the bike tour is at your own risk.

Each participant is responsible for arriving at the starting point of the tour on time. People who follow a certain diet or suffer from food allergies or intolerances should inform us when registering. We will endeavor to take this into account as far as possible - there is no entitlement to special catering.
